

THE GERMAN RAILWAY SOCIETY

Presents

GLOBALRAIL 2019

Didcot Civic Hall Saturday 15 June 2019

Welcome to Globalrail 2019

The show is split across 3 halls and the foyer area; please make sure you visit all 4 areas to see all the exhibits.

Please **do not touch** any of the layouts or models and please ask before taking photographs.

Drinks and light refreshments are available in the bar area (for those looking for more substantial fare, there are a variety of cafes along Broadway, less than 5 minutes walk from the exhibition venue – please retain your ticket for re-entry). Toilets are located in the rear corridor leading to the Ladygrove hall.

Please enjoy the show!

Alan Monk, GRS Globalrail Organiser

Layouts – please do vote for your favourite layout on the enclosed voting slip, a ballot box is on the front desk.

Central Environment Inc – (H0) Myles Munsey

A scrap recovery micro layout, set in Alaska during the Fall. Please ask if you want to try your hand at operation.

Dietrichsdorf - (H0) Stephen Davies

A small DB village station in the 1970s, serving a larger conurbation

Dobris – (H0) Ian Lampkin

A busy Czech station set in an industrialised town with plenty of passenger and freight action.

Edelweiss - (N) Kevin Player

A fictional junction station for tourists to travel through the scenic splendour of Switzerland on the private Edelweiss railway.

Ferrocarril San Maria Gandia - (H0) Ian Milroy

A fictitious Spanish narrow gauge line, set in a rural part of Valencian Community in the late-1960s

Gakunan Tetsudo (JSF150) – Steve Nicholls

The Gakunan Railway is a 6 mile long, 1067mm gauge railway running through Fuji, Shizuoka Prefecture in Japan. 1:150 scale on handbuilt 7.12mm gauge track.

Guglingen – (H0) Alan Peacock

A Bavarian branch line terminus set in the late-19th century and recalling the romantic atmosphere of that bygone age.

Köln Draußen – (H0) Andrew Knights

A busy suburban station on the outskirts of Cologne, overlooking a small industrial railway

Marmagne – (H0) Tony Durose

A through station on a rural line in central France during the late-1950s and 1960s

Neu-Isenheim gbf – (N) Paul Smith

A small, busy DB freight yard

Nippon Tetsudo (Z) Peter McConnell

A contemporary layout based on Japanese Railways (JR) operations and featuring both 3'6" gauge tracks for freight and local passenger workings while above are the dedicated standard gauge tracks for the Shinkansen bullet trains.

Oberdorf - (Nm) Piers Milne

A small town in SW Germany, near the French border, Oberdorf has close ties with French neighbour Cernay. N scale stock running on Z gauge track to represent metre gauge

Polcombe Depot – (O) Mark Pollard

A busy BR (Southern region) steam depot during the 1950s and 1960s.

Santa Agueda – (H0) Martin & Tim Petch

Located to the north of Lisbon, Santa Agueda's small station is served by a variety of trains showing the variety of Portuguese locos and stock.

Tenac – (N) Tim Hills

A busy double-track through station on the 1500v dc former Chemin de Fer du Midi, somewhere to the south of Bordeaux

Tyskie-Wielkopolska – (H0) Alan Wardman

A busy Polish railway terminal

Australian Modelling Display – Iain Hunter shows a selection of models and inspirations relating to his H0 scale Victoria-based layout Broadford

Bonsai RhB – Paul Steedman and Jon Hall display their modular Rhätische Bahn metre gauge projects in Nm

Trade

Thank-you to all our exhibitors and stewards for helping make this show happen!

Societies – the GRS is pleased to welcome a number of our fellow societies:

German Railway Society - The GRS is a friendly society for English-speaking enthusiasts of Germany's varied railways. Our aim is to encourage interest in all aspects of German railways and share information via our quarterly magazine 'Merkur' and the GRS website, etc. The Society has a range of items for sale, including the highly regarded books on German signalling practice and the Diesel Locomotives of Deutsche Bundesbahn. In addition, today we are running a members' Bring & Buy stand where you just might find that bargain!

www.grs-uk.org

Austrian Railway Society - The ARG was formed in 1991 and caters for anyone interested in the railway of Austria, both real and model and covering mainline, narrow gauge and tramways and offers a quarterly journal and email group.

www.austrianrailways.co.uk

Benelux Railway Society – a small friendly group sharing their knowledge via a quarterly magazine Nieuwsbrief. *www.beneluxrailways.org.uk*

British 1:87 Scale Society – the Society offers support and inspiration via its website and egroup to modellers of the UK scene working in the scale used by 80% of the rest of the world's railway modellers! *www.british-ho.com*

British Overseas Railways Historical Trust – for anyone interested in British made railways, locos and stock exported and used across the globe. *www.borht.org.uk*

European Railways Association – the ERA exists to promote an active interest in European Railways via a wide range of activities and an annual exhibition. *www.eurorail.org.uk*

French Railway Society - the FRS is for anyone with an interest in the railways of France. Members receive an informative printed journal four times a year and have access to meetings, an extensive library and archive. Please come and have a chat with one of our representatives on the stand today. *www.frenchrailwaysociety.org*

Italian Railway Society - A small, friendly group sharing an interest in the railways of Italy. Members receive the quarterly magazine 'BINARI' and may also borrow publications and participate in meetings around the country. *www.italianrailways.co.uk*

Scandinavian Railway Society - The SRS provides an English language focus for the growing numbers of enthusiasts and modellers of Scandinavian railways, covering the railways of Denmark, Finland, Norway and Sweden as well as the lesser-known railways of Iceland, Greenland and the Faroe Islands. *www.scanrailsoc.org.uk*

Swiss Railway Society – The Society was founded in 1980 to bring together those interested in Switzerland and its integrated transport system. Members receive a full-colour A4 quarterly magazine and access to a thriving branch network. *www.swissrailsoc.org.uk*

GlobalRail will return to this venue on **Saturday 30 May 2020 –
please check the GRS Website and modelling press
for more details in due course.**
